Holding Duration (Time)

Yields

Off-Chain Scrap Metal (Points)

Users adopt, train, and care for a 3D stylized Cyber-Phoenix. Simply holding the \$CYBD token passively generates Scrap Metal over time, establishing an active psychological connection to the portfolio balance.

THE EVOLUTION ARC: ASCENDING TO APEX

Tier 1: Hatchling Base/Core

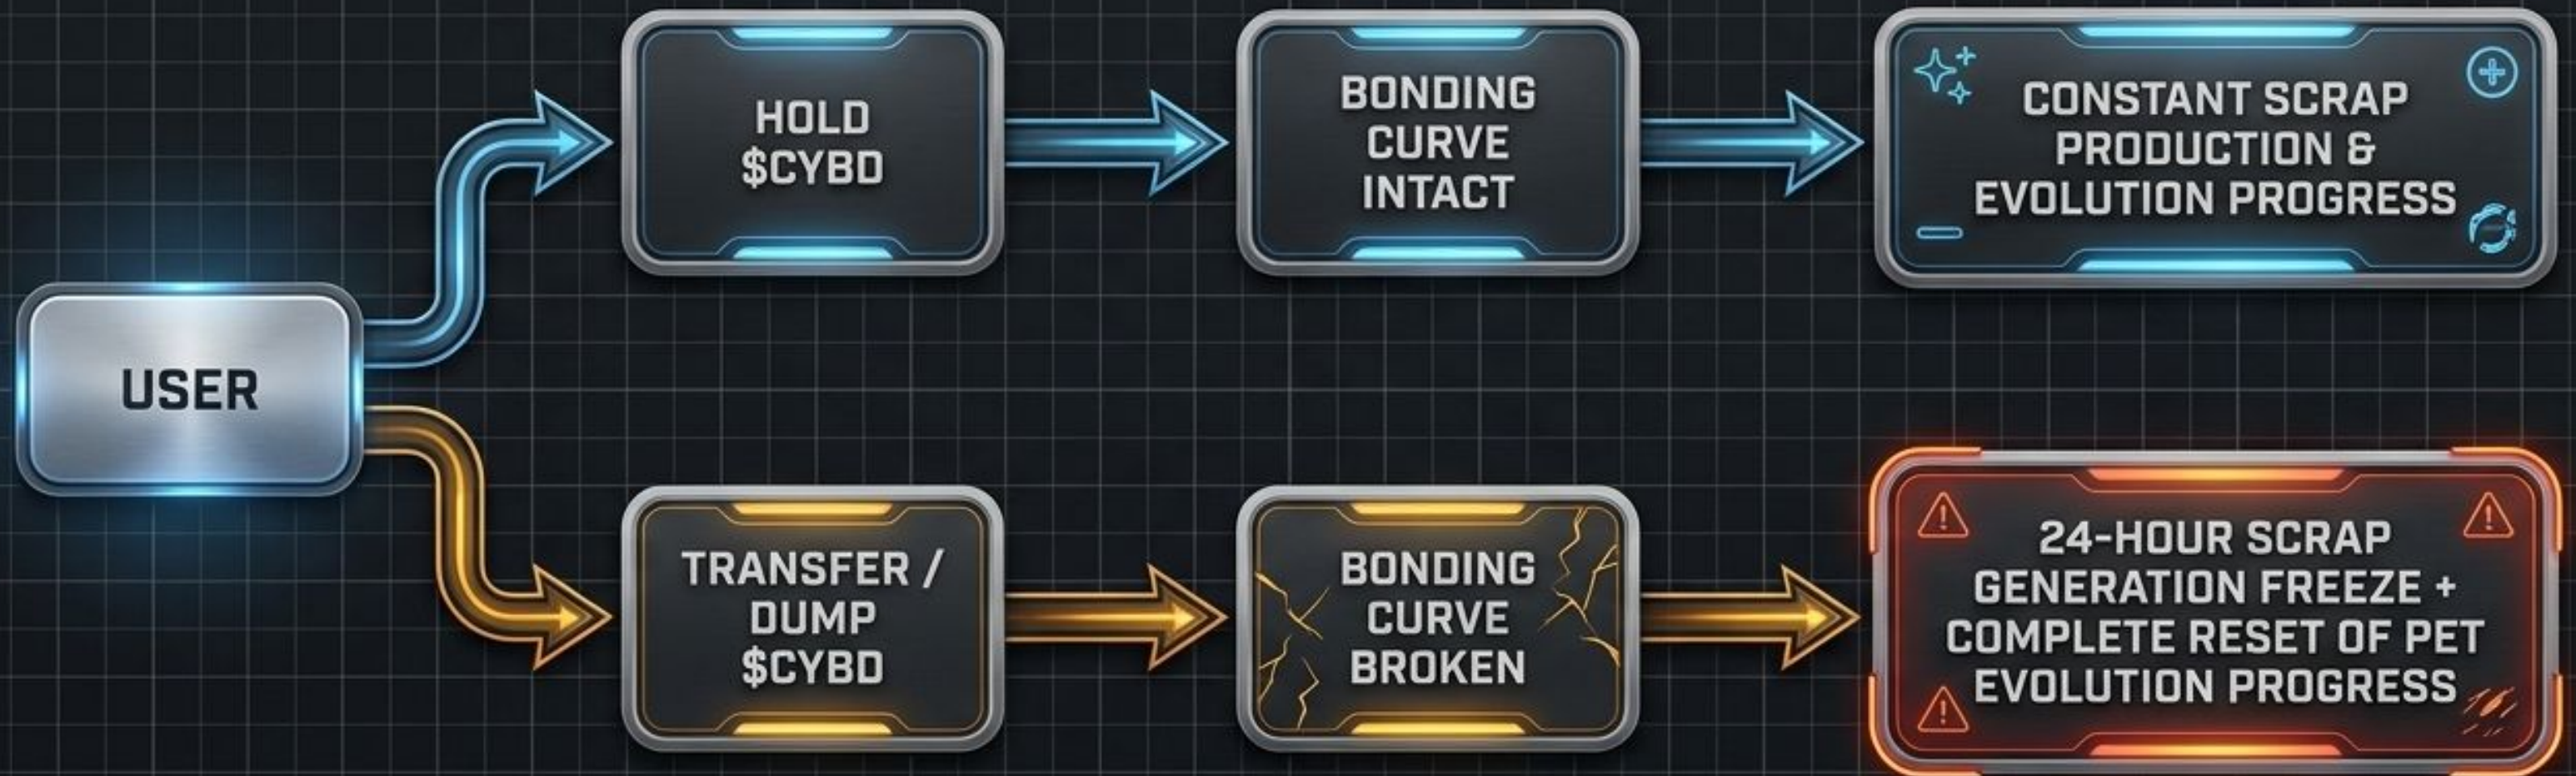

Tier 2: Armor Sentinel

Tier 4: Apex Phoenix

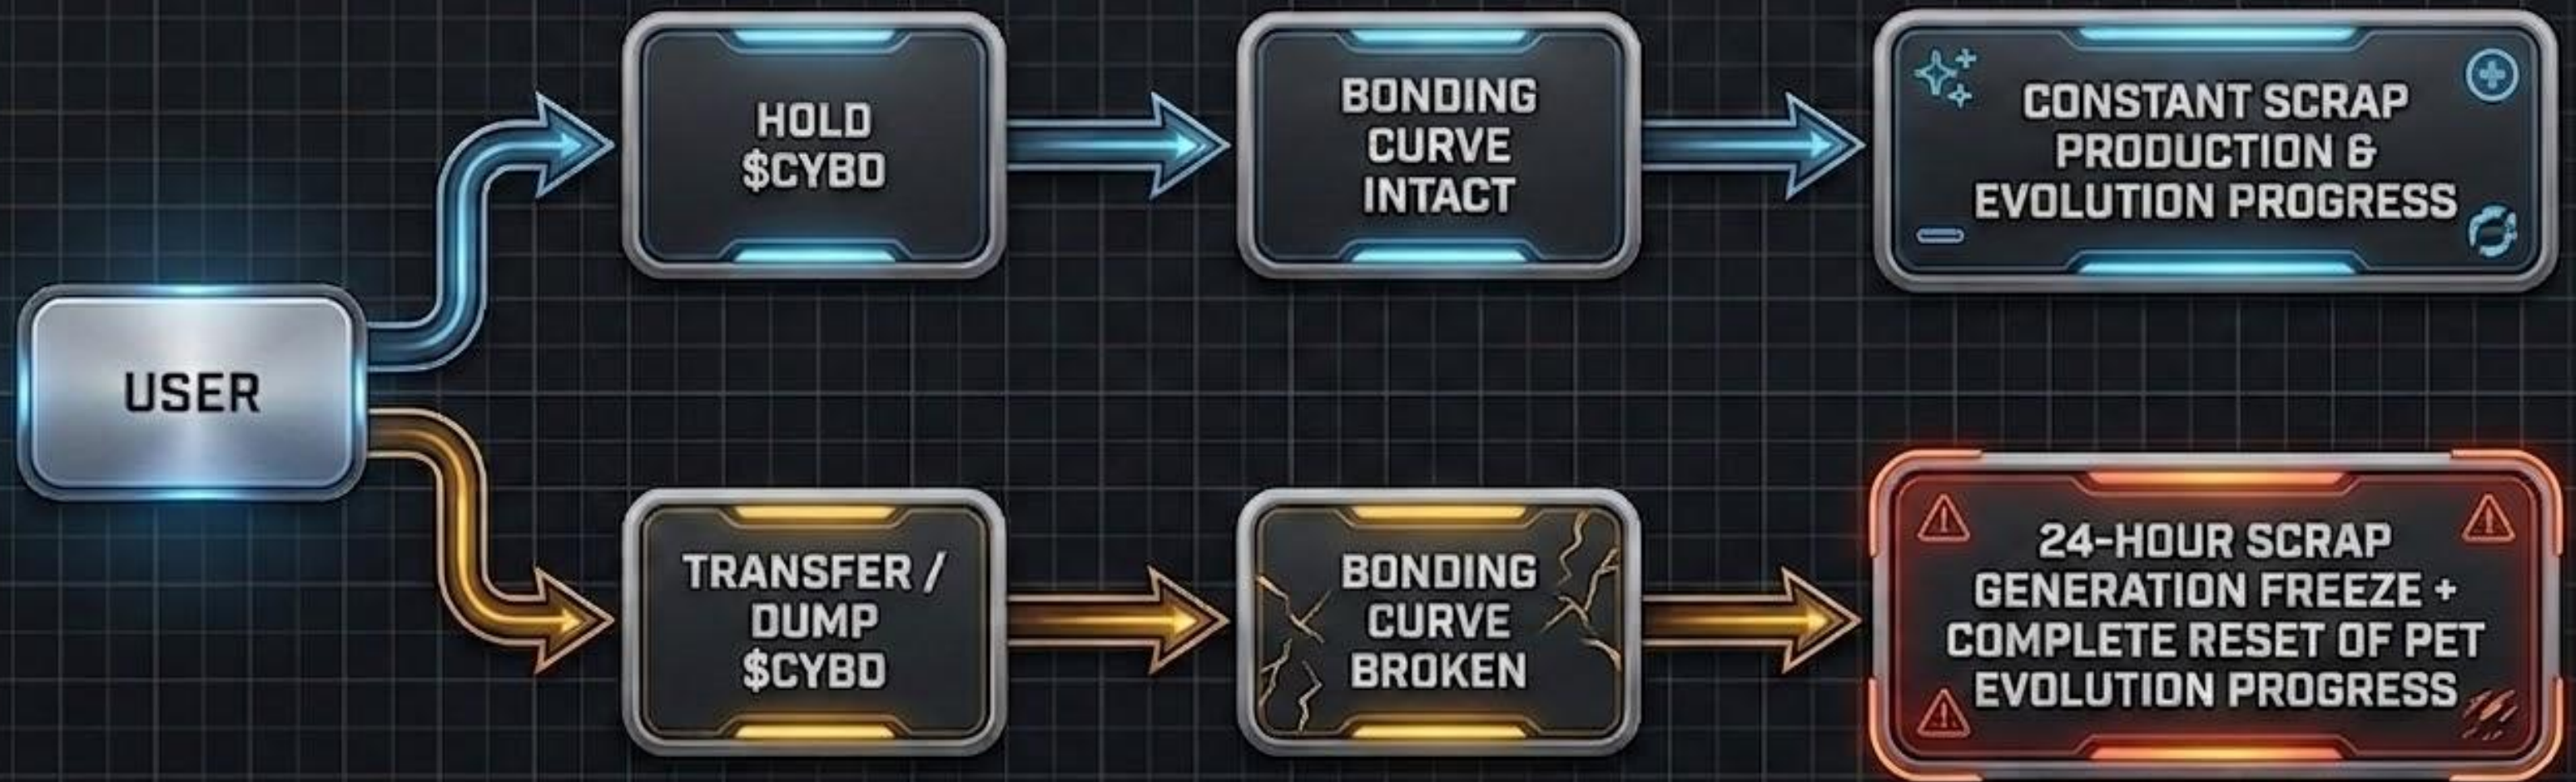

Scrap Metal (earned via holding) is burned to ascend through 4 visual tiers.
Visual dominance in the ecosystem is directly correlated to holder loyalty.

THE RETENTION ENGINE: PROOF-OF-HOLD MECHANICS

**PANIC-SELLING IS SYSTEMATICALLY DISINCENTIVIZED.
